

NORTHERN WATER WORKS DEVELOPMENT AGENCY

REQUEST FOR EXPRESSIONS OF INTEREST (REOI)

CONSULTANCY SERVICES FOR DESIGN REVIEW AND CONSTRUCTION SUPERVISION OF MARALAL WATER SUPPLY PROJECT

NWWDA/REOI/001/2022 - 2023

Northern Water Works Development Agency, a state corporation under the Ministry of Water and Sanitation & Irrigation which has the legal responsibility of ensuring cost effective and sustainable provision of water and sanitation services in its area of jurisdiction which includes six counties namely Garissa, Wajir, Mandera, Marsabit, Isiolo and Samburu.

The Government of Kenya intends to construct Maralal Water Supply. The project includes the construction of a water treatment plant of capacity 9,000 m³/day and pipelines, PPE, GI and HDPE ranging from OD 20mm to OD 355mm of total length 84.6 km; epoxy coated steel pipe DN 400mm – 4.9 km and reinforced concrete tanks of 10,000M³ and two 500 M³ respectively. The Agency intends to apply part of the proceeds for consulting services as shown below

Scope of the consultancy services includes but not limited to;

- Offer design review and supervision services.
- Ensure the execution of the project according to the drawings and specifications;
- Provide technical services with respect to the interpretation of the contract documents, expenditure control, inspection of materials, measurement of works and preparing/checking draft payment certificates for certification connected with percentage of work completed whose payment invoices will be submitted by the contractors and suppliers as well as introducing such agreed changes in the design or the specifications as may become necessary during the course of the execution.
- In liaison with the client, prepare Project Cash Flow Projections
- Maintain Project Diary at the Site which includes weather condition, progress of works, issues related to implementation of the Environmental and Social Management Plan (ESMP) , and inventories of equipment and labour
- Appraising the client on Progress and financial status of the project through regular reporting in form of (but not limited to) minutes of meetings, Monthly, Quarterly and Annual reports, Draft Documents, Interim, Draft Final and Final Reports.

- Ensure the preparation of as built drawings and Operation and Maintenance Manual.

Northern Water Works Development Agency (NWWDA now invites eligible consulting firms (“Consultants”) to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services. The shortlisting criteria are:

- a) Experience in the assignment including technical and managerial capability of the firm.
- b) Number of years in business working on the area of the assignment
- c) Experience in similar conditions i.e. working in Semi-arid areas.
- d) Availability of appropriate skills amongst staff including but not limited to: Water supply engineer, Electrical engineer, Structural Engineer, Environmental and Social Safeguards expert.
- e) Reference to at least three assignments of similar nature and size carried out in the last five years. Include persons or institutions and contact address (phone and email) who can be contacted on the same.

The attention of interested Consultants is drawn to the following provisions that will be highlighted in the Request for Proposals to be issued to shortlisted firms.

- i) The Consultant will be expected to have no conflict of interest with other assignments or its own corporate interests and acting without any consideration for future work.
- ii) The consultant has no personal or business relationship with the Procuring Entity's senior management or professional staff.
- iii) A firm or an individual in the firm has not been sanctioned by the Public Procurement Regulatory Authority or are under a suspension or a debarment imposed by any other entity of the Government of Kenya, or any international organization.
- iv) Government-owned enterprises or institutions of Kenya Government, officials and civil servants and employees of public institutions may not eligible.

Consultants may associate with other firms to enhance their qualifications, but should indicate clearly whether the association is in the form of a joint venture and/or a sub-consultancy. In the case of a joint venture, all the partners in the joint venture shall be jointly and severally liable for the entire contract, if selected.

A Consultant will be selected in accordance with the QCBS method set out in the Act and Regulations.
